13TH INTERNATIONAL CONGRESS ON ARTIFICIAL MATERIALS FOR NOVEL WAVE PHENOMENA

Dear Sponsors and Exhibitors,

On behalf of the organizers of **Metamaterials 2019, the 13th International Congress on Engineered Material Platforms for Novel Wave Phenomena**, I cordially invite you to take part in our Congress, which will take place in the hotel *Crowne Plaza Rome - St. Peter's* at about 5 km from Rome city center, on 16-19 September 2019. Following the success of the previous editions, Metamaterials 2019 will continue to provide a premier international forum to share the latest results of the metamaterials research worldwide. This event will bring together the engineering, physics, and material science communities for 4 days of presentations, discussions, exchanges, courses and strategy development in artificial electromagnetic materials science and technology. <http://congress2019.metamorphose-vi.org/>

Metamaterials 2019 represents an excellent opportunity to reach your target audience, potential customers and promote your products and services among the leading researchers, engineers, professors and students working on artificial electromagnetic materials, metamaterials, nano-materials, electromagnetics, optics and antennas, as well as on applications of metamaterials to fluid mechanics, thermodynamics and geophysics. The past editions have consistently attracted over 400 participants from 40 different countries of 5 continents. We expect this year to further improve the number of attendees, from a broad range of backgrounds, including universities, scientific organizations, publishers and industries. As metamaterials are moving beyond the halls of academia into the commercial market, we believe this is one of the most exciting time in the history of our field, with great advantages for first-movers in this emerging industry and emerging market.

We offer the following options to promote your organization at our Congress:

- Attend the conference as an **Exhibitor**, or
- Advertise your organization by choosing a **Sponsorship Package**, Standard, Silver, Gold or Diamond; and/or several additional sponsorship options, or
- Sign up for both (**Exhibitor/Sponsor**) for maximum publicity.

Please find the details on the following pages. You may choose from the listed options, or contact us to customize a specific package tailored to your organization's individual needs.

I am looking forward to seeing you at Metamaterials 2019 in the beautiful Rome!
